I am the parent or guardian of the student identified above. I wish for my student to participate in the elective course or program identified above.

I understand that the curriculum or programmatic requirements of this course or program may require my student to attend activities away from his or her school campus, as follows:

Off-campus location: _____

Schedule for off-campus program: _____

I understand that the District will not provide transportation for my student's participation in the off-campus activities of this elective course or program. I understand that I am therefore responsible for arranging my student's transportation to and from the off-campus activities.

I affirm that any decision I make to allow my student to ride to the off-campus activities in a vehicle driven by anyone other than me (including one driven by my student himself or herself) is a decision to be made solely by me, based upon my discretion as a parent or guardian and my own assessment of the safety of allowing such transportation to occur.

In requesting that my student be allowed to participate in this elective course or program, I agree and affirm that no person shall be considered to be acting as an agent or servant of the District, in any respect or for any purpose, whatsoever, while driving my student to or from this elective course or program. Should any claim be made against the School District based on the driving conduct of any person transporting my student to or from the off-campus activities involved in this elective course or program, I hereby agree to defend, indemnify, and hold the District harmless as to such claim.
