

Notice of Intent

Charter School Application to Authorizer Spokane Public Schools

December 3, 2018

Lumen High School submits a notice of intent to submit and applicant for approval as a charter school. We intend to apply to Spokane Public School under RCW 28A.710 and WAC 180-19-080 (1)(a).

The mission of Lumen High School is to provide a top-tier education option in conjunction with a high-quality on-site early learning center to pregnant and parenting teens in the City of Spokane. Consistent with RCW 28A.710 and Spokane Public Schools' stated priorities for new schools, Lumen High School will offer: personalized, rigorous and flexible instruction; service learning; and an on-site early learning center to positively influence another generation. Teen parents empowered with the skills to raise healthy children, graduate, and pursue higher education and careers are the markers of our school's success. LHS is open to all students, with a focus on teen parents, and will serve students ages 14-21 and high school eligible per WAC 180-51-035 within the Spokane Public School District. Lumen High School is committed to a collaborative partnership with the district to promote the success of all students in Spokane.

Lumen High School is an applicant as defined under RCW 28A.710.010 (1) and eligible to apply for charter approval. Lumen High School is not a sectarian or religious organization. Lumen High School will be a non-profit corporation as defined in RCW 24.03.005, and has applied for tax exempt status under section 26 U.S.C. Sec. 501(c)(3).

Respectfully submitted,
