To sign up for all after school activities and sports go to WWW.familyid.com . This is a district wide program.

You will need to create an account for your student the first time but this is something that you will be able to use as they move up in grades. Once you have created your account you can register all your students under the one account. Just create a new participant for each student under your account. All paperwork online must be completed for student to be cleared to participate.
